Written Testimony

Aloha, My name is Hanale Hopfe a lifetime resident of Waianae. I humbly ask for your support for Councilmember Kimberly Pine HB 9. There are two ancient Heiau existing on the Waianae Coast that is in good condition. One is nestled in the lush Makaha Valley which is well preserved and is pretty secluded. The other Heiau is located at Pokai Bay which is surrounded by three sides of water and is in part ,part of Pokai Bay Beach Prk. "Kuilio Loa". Only two sites like this exist today and is an important part of Waianae's "Hawaiian History" and is culturally significant to Waianae. I believe that there are laws to protect such Historical sites. Over the years it has been desecrated and used for camping and homeless. But worst of all are " Memorials" that are left there. It's an eye sore and I'm afraid that it may end up like the new Waianae Boat Hbr. I strongly feel that a plaque "signage" should be installed there Naming and giving historical information on the Site. Mahalo Nui, Hanale Hopfe
